

NOTICE OF PLANNED COUNTY ROAD PROJECT AT CASS-WHITE ROAD AND COLONEL WAY

Cass-White Road was originally constructed in Bartow County in the year 1955. There now exists a public need to improve the intersection of Cass White Road and Colonel Way in order to better provide for the safe and efficient movement of public traffic. On May 8, 2019, Bartow County Commissioner Steve Taylor approved and designated a location at the intersection of Cass White Road and Colonel Way for a roundabout to be constructed and installed as part of the Bartow County road system. The project is located in Land Lots 262 and 279 of the 5th District and 3rd Section of Bartow County. A plat or map of the project showing the exact date of the original location is on file at the office of the County Commissioner. Any interested party may obtain a copy of same by contacting the County Clerk of Bartow County and paying any nominal cost associated therewith.
