other enclosure or restrained by a chain or leash, or in some physical manner under control by a competent person, so that it cannot wander off of the real property limits of the owner, possessor or custodian, except as provided in this article, it being the intent of this article that all animals shall be prevented from leaving, while unattended, the real property limits of their owner, possessor or custodian. 5. A person restraining an animal with a tether shall ensure that the area in which the animal is confined is free of garbage, fecal matter, or other debris that can cause harm to the animal.

Sec. 14-15. – Keeping of exotic or wild animals.

It shall be unlawful for anyone to own, harbor, or permit at large any exotic animal or wild animal within the unincorporated areas of Bartow County without the written permission of the Director of Animal Control who may impose upon the owner reasonable conditions of confinement to assure the protection and safety of the general public. Such conditions shall be imposed pursuant to and in relation to the threat posed by the species to other animals and to humans from attacks, bites, disease, nuisance, noise, odor or any similar harm. Any such exotic or wild animal permitted must comply with the minimum distance requirements of the Code of Bartow County, Appendix A, the Zoning Ordinance. If a question arises as to the status of an animal as Domestic or Exotic, the Animal Control Director shall make the determination.

B. Wild carnivores not permitted. No wild carnivores (including, but not limited to, tigers, cheetahs, pumas, leopards, jaguars, lynx, bobcats, mountain lions, wolves, foxes, bears, raccoons, weasels, badgers, skunks, mongooses, and hyenas) shall be kept as pets nor for any other purpose in Bartow County.

Sec. 14-16. – Public nuisance prohibited.

It shall be unlawful for any person to keep any animal on any property located within the unincorporated limits of Bartow County when the animal is kept in such condition to constitute a public nuisance animal, as defined by Section 14-13, or to constitute a menace to public health or safety.

Sec. 14-17. – Maximum number of animals permitted.

A. Dogs. The following restrictions apply to the maximum number of dogs that may be possessed or kept on any residential property, based on the area of the lot. Other applicable regulations, including the Bartow County Zoning Ordinance (Appendix A to the Code of Bartow County), shall still apply and should be consulted for restrictions on location of shelters and enclosures and other restrictions. "Kennels," as defined therein, are regulated under the Zoning Ordinance; See subsection 14-19C.

1. Larger than 2.0 acres. On any residential property that is larger than two acres (2.0 acres), there shall be no restriction on the number of dogs allowed to be possessed or kept, provided all other applicable provisions of this Ordinance are obeyed. However, any such property that contains more than six dogs shall be required to maintain those animals in an enclosure at least 100 feet from the nearest property line.

2. Larger than 1.0 acre but equal to or less than 2.0 acres. On any residential property that is larger than one acre (1.0 acre), but equal to or less than two acres (2.0 acres), regardless of the designated zoning of said property, it shall be unlawful to possess or keep more than six dogs.

3. Equal to or less than 1.0 acre. On any residential property that is equal to or less than one acre (1.0 acre), it shall be unlawful to possess or keep more than three dogs.

4. Multi-family units. For any dwelling unit in a multi-family development (e.g., apartment, condominium, townhome, mobile home parks, duplex, triplex, quadraplex or similar), it shall be unlawful to possess or keep more than three dogs. The overall acreage of the development or property shall not control.

B. Cats. The following restrictions apply to the maximum number of cats that may be kept on any residential property, based on the area of the lot. Other applicable regulations, including the Bartow County Zoning Ordinance, shall still apply and should be consulted for restrictions on location of shelters and enclosures and other restrictions.

1. Larger than 2.0 acres. On any residential property that is larger than two acres (2.0 acres), there shall be no restriction on the number of cats permitted provided other provisions of this Ordinance are obeyed.

2. Equal to or less than 2.0 acres. On any residential property that is equal to or less than two acres (2.0 acres), it shall be unlawful to possess or keep more than six cats.

3. Multi-family units. For any dwelling unit in a multi-family development (e.g., apartment, condominium, townhome, mobile home parks, duplex, triplex, quadraplex or similar), it shall be unlawful to possess or keep more than six cats. The overall acreage of the development or property shall not control.

Other applicable regulations, including the Bartow County Zoning Ordinance (Appendix A to the Code of Bartow County), shall still apply and should be consulted for restrictions on location of shelters and enclosures and other restrictions. Nothing in these provisions shall authorize keeping of livestock in zoning districts where livestock are not permitted.

1. Larger than 10.0 acres. On any property that is larger than ten acres (10.0 acres), there are no restrictions in this Ordinance as to the number of livestock that may be kept. Other applicable provisions as to type, adequate shelter, humane care, and so forth must be obeyed. Furthermore, the Bartow County Zoning Ordinance contains restrictions for setback, and certain livestock uses require a conditional use permit (e.g., chicken houses).

2. Larger than 2.0 acres but equal to or less than 10.0 acres. On property that is larger than two acres (2.0 acres) but equal to or less than ten acres (10.0 acres), limited numbers of livestock animals are permitted. No more than eight (8) livestock animals total shall be

permitted on property in this size range or no more than twenty (20) chickens; if both chickens and other livestock animals are kept, no more than eight (8) animals total shall be permitted. Further, either a single chicken coop, or a single minor livestock enclosure for up to 8 animals, may be erected for housing livestock, but not both.

3. Equal to or less than 2.0 acres. On any property that is equal to or less than two acres (2.0 acres), it shall be unlawful to possess or keep any livestock.

Sec. 14-18. – Animal breeding; pet dealers.

A. Breeding restrictions. It shall be unlawful for any person to breed animals on non-agriculturally zoned property, except as specifically permitted in this Ordinance. However, it shall be permissible for any household to have one litter per year (total, not per animal). In instances where a new litter causes a violation of Section 14-17, the new litter shall be exempt from the provisions of Section 14-17 for up to twelve weeks from the date of birth. Any more than one litter per household per year shall make such person a pet dealer.

B. Livestock breeding restrictions. Persons breeding livestock shall comply with applicable state regulations and laws. Livestock shall not be bred on non-agriculturally zoned property, nor on any agricultural property under five acres in size.

C. Operations requiring licensing. Sec. 14-66. – Dog Classification.

A. Classification levels. ‘Classified dog’ means any dog that has been classified as either a dangerous or vicious dog pursuant to this article. Classifications are as follows:

1. *Dangerous dog.* Any dog that:

a) Causes a substantial puncture of a person’s skin by teeth without causing serious injury (see Section 14-13); provided, however, that a nip, scratch, or abrasion shall not be sufficient to classify a dog as dangerous under this subparagraph;

b) Aggressively attacks in a manner that causes a person to reasonably believe that the dog posed an imminent threat of serious injury (see Section 14-13) to such a person or another person although no such injury occurs; provided, however, that the acts of barking, growling, or showing of teeth by a dog shall not be sufficient to classify a dog as dangerous under this subparagraph; or

c) While off the owner’s property, kills a pet animal; provided, however, that this subparagraph shall not apply where the death of such pet animal is caused by a dog that is working or training as a hunting dog, herding dog, or predator control dog.

2. *Vicious dog.* Any dog that inflicts a serious injury on a person or causes serious injury (see Section 14-13) to a person resulting from reasonable attempts to escape the dog’s attack.

3. *Euthanasia for Causing Serious Injury on More than One Occasion.* Pursuant to O.C.G.A. Sec. 4-8-26, a dog that is found, after notice and opportunity for hearing as provided below, to have caused a serious injury to a human on more than one occasion shall be euthanized; provided, however, that no injury occurring before July 1, 2012, shall count for purposes of this subsection.

4. *Judge Authorized to Order Euthanasia.* Pursuant to O.C.G.A. Sec. 4-8-25, the judge of any superior court of competent jurisdiction within this state may order the euthanasia of a dog if the court finds, after notice and opportunity for hearing as provided by this section, that the dog has seriously injured a human or presents a danger to humans not suitable for control under this article and:

(1) The owner or custodian of the dog has been convicted of a violation of any state criminal law and the crime was related to such dog; or

(2) Any local governmental authority has filed with the court a civil action requesting the euthanasia of the dog.

5. *Previously Classified Animals.* Any dog classified prior to July 1, 2012 as a potentially dangerous dog in this state shall on and after that date be classified as a dangerous dog. Any dog classified prior to July 1, 2012 as a dangerous dog or vicious dog in this state shall on and after that date be classified as a vicious dog under this Ordinance. The owner of any dog classified prior to July 1, 2012 shall come into compliance with all current provisions of this Ordinance by January 1, 2013.

B. Confiscation. If an Animal Control officer has reason to believe that a dog has acted in a manner that justifies a classification as a Dangerous Dog or a Vicious Dog, the dog may be confiscated, impounded, classified, and notice provided as set forth below. A law enforcement officer or animal control officer shall immediately impound a dog if the officer believes the dog poses a threat to the public safety.

C. Exceptions. An animal shall not be classified within the meaning of this section if it inflicts injury upon a person when the animal is being used by a law enforcement officer or military officer to carry out the law enforcement or military officer's official duties. No dog shall be classified as a dangerous or vicious dog if the person injured by such dog was a person who, at the time, was: 1) committing a trespass; 2) was abusing the dog; or 3) was committing or attempting to commit an offense under Chapter 5 of Title 16.

D. Classification by animal control. The Animal Control officer shall make a determination whether the dog shall be classified as a Dangerous Dog or Vicious Dog. The owner shall be given notice of the classification pursuant to paragraph E. below. If an owner is unknown or cannot be found, notice shall be made by posting the notice in a conspicuous place at the location where the animal was confiscated.

E. Notice of determination. The notice to the owner shall meet the following requirements:

1. The notice shall be in writing and mailed by certified mail or statutory overnight delivery to the owner's last known address within 72 hours, and notice shall be complete upon mailing;
2. The notice shall include a summary of the Animal Control officer's findings that formed the basis for the dog's classification as a Dangerous Dog or Vicious Dog;
3. The notice shall be dated and shall state that the owner, within 15 days after the date shown on the notice, has a right to request an appeal hearing on the Animal Control officer's classification of the dog;
4. The notice shall state that the hearing, if requested, shall be before the Bartow County Animal Control Board;

5. The notice shall state that if a hearing is not requested, the classification of the dog as a Dangerous Dog or Vicious Dog will become effective for all purposes under this Ordinance on a date specified in the notice, which shall be after the last day on which the owner has a right to request a hearing; and

6. The notice shall include a form to request a hearing and shall provide specific instructions on mailing or delivering such request to Animal Control.

F. Response to notice. If no owner comes forward in response to the notice provided in paragraph E., the animal shall be kept for five days, and then may be disposed of by Animal Control, including by humane destruction in accordance with O.C.G.A. § 4-11-5.1. If the owner comes forward and no appeal hearing is requested, the animal may be returned to the owner provided the owner complies with the requirements of this Division, including payment of fees set forth in paragraph J. and the requirements of Section 14-67. If a hearing is requested, the provisions of paragraph G. shall apply.

G. Appeal hearing. When the Animal Control Board receives a proper and timely request for an appeal hearing of a classification, it shall schedule such hearing within 30 days after receiving the request; however, such hearing may be continued by the authority for good cause shown. The Board shall notify the dog owner in writing by certified mail or statutory overnight delivery of the date, time, and place of the hearing, and such notice shall be mailed to the dog owner at least ten days prior to the date of the hearing. At the hearing, the owner of the dog shall be given the opportunity to testify and present evidence, and in addition thereto, the governing authority or board shall receive such other evidence and hear such other testimony as the governing authority or board may find reasonably necessary to make a determination either to sustain, modify, or overrule the Animal Control Officer's classification of the dog, including the power to impose conditions on continued possession of the dog.

H. Decision. After hearing the evidence, the Animal Control Board shall be empowered to take the following actions:

1. Sustain the Animal Control Officer's classification;
2. Modify the Animal Control Officer's classification;
3. Overrule the Animal Control Officer's classification
4. Impose conditions or restrictions in addition to the required conditions set forth in this Ordinance for keeping a classified dog; or
5. Order that the dog be euthanized pursuant to Sec. 14-66(A)(3) if the requirements are met.

I. Notice of Decision. The decision shall be made at the hearing, and within ten days after the date of the hearing, the Animal Control Board shall notify the dog owner in writing by certified mail or statutory overnight delivery of its determination on the matter. If such determination is that the dog is a dangerous dog or vicious dog, the notice shall specify the date upon which that determination is effective. Any specific additional conditions or restrictions shall be set forth in

the notice. If the determination is that the dog is to be euthanized pursuant to Sec. 14-66(A)(3), the notice shall specify the date by which the euthanasia shall occur.

J. Return to Owner. In the event the dog is classified as Dangerous or Vicious Dog, (and the dog is not ordered euthanized), the animal shall not be returned to the owner until payment of reasonable confiscation costs, including an impoundment fee of \$100.00, boarding costs of \$15.00 per day, and all actual veterinary care costs. In the event the owner has not complied with the provisions of this paragraph and also satisfied the requirements set forth in Section 14-67 within ten (10) days of the date the dog was classified, said dog shall be destroyed in an expeditious and humane manner in accordance with O.C.G.A. § 4-11-5.1; provided, however, upon a showing for good cause, the Director of Animal Control may extend said time, up to an additional fifteen (15) days, upon the payment by the owner of the per diem boarding costs for said dog. In the event the dog is ordered euthanized, the animal shall be humanely destroyed any time after five business days after the date of the decision of the Animal Control Board in accordance with O.C.G.A. § 4-11-5.1.

K. Judicial Review. Judicial review of the Animal Control Board's final decision may be had in accordance with O.C.G.A. Sec. 50-13-19, except that venue shall be limited to the Bartow County Superior Court. The filing of the petition for judicial review in superior court does not itself stay enforcement of the Board's decision. Except as otherwise provided in this subsection, the Animal Control Director may grant, or the reviewing court may order, a stay upon appropriate terms for good cause shown.

Such notice will cite the owner to appear on a date certain before the Magistrate Court of Bartow County as provided in this Ordinance.

C. Animals at large. Any person finding an animal at large upon his property may remove the same to the Animal Shelter or hold the animal in his own possession, and as soon as possible, notify Animal Control. D. Outsourcing services. E. Livestock at large. Any Animal Control Officer or other person who discovers or is notified of livestock (as that term is defined in O.C.G.A. § 4-3-2) running at large shall notify the Sheriff of Bartow County. Sec. 14-83. – Notice of impoundment; procedures.

A. Specific impoundments. Impoundment for violation of Section 14-41A. (failure to provide humane care) or Section 14-43 (cruelty to animals) of this Ordinance, or for violations of O.C.G.A. § 16-12-4 (cruelty to animals) or § 16-12-37 (dogfighting), shall be subject to the following procedures:

1. Veterinary determination. A licensed, accredited veterinarian approved according to O.C.G.A § 4-11-9.2(d) shall examine and determine the condition or treatment of the animal prior to impoundment.
2. Notice. Notice shall be provided to the owner and shall include the description of the animal, the location where the animal was impounded, the reason for impoundment, the citation number if a citation was issued, the name and business address of the Officer impounding the animal, the name and business location of the Animal Shelter, the hours during which the animal can be reclaimed, and fees to be charged to the owner. The notice shall state that the failure to claim the animal or request a hearing as hereinafter provided within five (5) business days following the date notice was provided may result in the disposition of the animal. The notice shall be delivered personally or by certified mail, return receipt requested. If an owner is unknown or cannot be found, notice shall be made by posting the notice in a conspicuous place at the location where the animal was impounded. In addition, if the owner is unknown, notice shall be published once in a newspaper of general circulation in the County.
3. Appeal hearing. If an animal is impounded pursuant to Section 14-41A. or 14-43 and the owner thereof refuses to enter into a consent agreement with the Animal Shelter that such animal will be given humane care and adequate and necessary veterinary care, the owner may request, in writing, a hearing within five (5) business days of the date the notice of impoundment was served on such owner, or, if the owner is unknown or could not be found, within thirty (30) days of the date of publication of the notice of impoundment in a newspaper of general circulation in the County. Hearing shall be in accordance with Section 14-84. Such request for hearing shall be served upon the Animal Shelter. If no hearing is requested within the time limits herein specified and the failure to request such hearing is due in whole or in part to the reasonably avoidable fault of the owner, the right to a hearing shall have been waived. For impoundments under state charges, see paragraph C. below.
4. Consent agreement. Prior to release of an animal impounded under these provisions, the owner must enter into a consent agreement providing that, among other things, the animal

will be given humane care and veterinary treatment; the animal will not be subject to mistreatment or illegal activity; and the owner will comply with all terms of this Ordinance. Animal Control may specify additional terms as required.

B. Impoundment for other reasons. Impoundments for reasons other than specified in Section 14-83A. shall be subject to the following procedures.

1. Determination. The Animal Control Officer shall make a determination whether the animal should be impounded under this Ordinance.

2. Notice. Notice shall be provided to the owner and shall include the description of the animal, the location where the animal was impounded, the reason for impoundment, the citation number if a citation was issued, the name and business address of the Officer impounding the animal, the name and business location of the Animal Shelter, the hours during which the animal can be reclaimed, and fees to be charged to the owner. The notice shall state that the failure to claim the animal or request a hearing as hereinafter provided within five (5) business days following the date notice was provided may result in the disposition of the animal. The notice shall be delivered personally or by certified mail, return receipt requested. If an owner is unknown or cannot be found, notice shall be made by posting the notice in a conspicuous place at the location where the animal was impounded.

3. Reclaim animal. The owner of an impounded animal, unless otherwise specified in this Ordinance, shall have the option to pay the violation fines and impoundment fines and retrieve the dogs, once the condition or circumstance causing the impoundment has been cured or corrected. Owners shall have no more than five (5) days from the date of notice to cure or correct the violation, or the dogs shall be deemed unclaimed; this time limit may be extended by Animal Control, to no more than twenty (20) days. Return to the owner upon payment of fees shall not be an option for animals that are a threat to public safety or health, require quarantine, or where impounded for cruelty, inhumane treatment, dog-fighting, other illegal action, vicious attacks, or other circumstances requiring a hearing under this Ordinance.

4. Appeal hearing. The animal owner may request, in writing, a hearing within five (5) business days of the date the notice of impoundment was served on such owner or being posted in the case of abandoned dogs. Hearings shall be in accordance with Section 14-84. Such request for hearing shall be served upon the Animal Shelter. If no hearing is requested within the time limits herein specified and the failure to request such hearing is due in whole or in part to the reasonably avoidable fault of the owner, the right to a hearing shall have been waived.

5. Consent agreement. Prior to release of an animal impounded under these provisions, the owner must enter into a consent agreement providing that, among other things, the animal will be given humane care and veterinary treatment; the animal will not be subject to mistreatment or illegal activity; and the owner will comply with all terms of this Ordinance. Animal Control may specify additional terms as required.

C. Criminal matters; bond. The provisions of paragraphs A.4. or B.5. of this Section shall not apply to an animal that was an object or instrumentality of a crime nor shall any such animal be

returned to the owner without the approval of the prosecuting attorney and Animal Control. If dogs are impounded for violation of O.C.G.A. § 16-12-4 (cruelty to animals) or 16-12-37 (dogfighting), they shall not be returned to the owner until the case is completed, or unless otherwise ordered by the Court. In such cases, the owner shall be required to post a surety bond for the costs of impoundment of the dog for the duration of the proceeding, in the amount of \$2,500 per animal impounded, or shall release the animals to Animal Control for disposal. The surety bond shall be issued by a surety company authorized to transact business in this state, or the bond may be paid in cash. If bond is not posted within thirty days of impoundment, Animal Control shall apply to the Court for permission to dispose of the animal prior to trial of the criminal case as provided by law.

D. Owners liable for fees. In the event an animal is not claimed from impoundment and is therefore destroyed or the animal otherwise dies, and the owner is known, the owner shall still be responsible for the impoundment charges, including boarding fees and veterinary care costs, for the period the animal was held.

Sec. 14-84. – Appeal hearings on impoundments.

Procedures. Within thirty (30) days after receiving a written request for a hearing, the Animal Control Board shall hold a hearing following the procedures established in this Ordinance:

- A. The scope of the hearing shall be limited to whether the impounding of the animal was authorized under this Ordinance or state law;
- B. If the Board finds that the animal was improperly impounded, the animal shall be returned to the owner and the costs incurred in providing reasonable care and treatment for the animal from the date of impoundment to the date of the order shall not be charged to the owner. If the animal is impounded under contract with a third party, the Animal Shelter shall pay for such costs of boarding and treatment;
- C. If the Board finds that the animal was lawfully impounded, the Board may (a) recommend the shelter dispose of the animal in accordance with this Section or (b) unless, in a prior administrative or legal action, the owner has been found to have failed to provide humane care to an animal, committed cruelty to animals, or engaged in dog fighting in violation of the laws of this state or of the United States or any of the several states, recommend conditions under which the animal may, upon payment by the owner of all costs of impoundment and care, be returned to the owner. Such conditions shall be reduced to writing and served upon the owner and the Animal Shelter.

Sec. 14-85. – Return of animal to owner.

A. Return of animals at large. If the name of the owner of an animal found at large is known or can be obtained with reasonable dispatch, and there are no other violations of this Ordinance, the Animal Control Officer shall return the animal to the residential address of the owner. If there is no one present, the officer shall impound the animal and leave written notice of whom the owner must contact to reclaim the animal. The owner shall be cited for violation of this Ordinance.

B. Return of animals with violations. If an animal is impounded for a violation, and the procedure for return is not otherwise specified in this Ordinance or a hearing is not otherwise requested or required, the animal shall be returned once all fees for the violation and impoundment are paid and the conditions necessitating the impoundment have been cured or corrected, if applicable.

C. Impoundment fees. An owner reclaiming an impounded animal shall pay a \$30.00 impoundment fee plus a fee of \$15.00 for each day the animal is impounded as a boarding fee if impounded at the shelter (or the actual costs of impoundment if impounded off-site), and the actual veterinary costs for care of the animal.

D. Second impoundment. An owner reclaiming an impounded animal for a second impoundment within one year shall pay a \$60.00 impoundment fee, plus a fee of \$15.00 for each day the animal is impounded as a boarding fee (or the actual costs of impoundment if impounded off-site), plus any actual veterinary costs for care of the animal.

E. Third and subsequent impoundment. An owner reclaiming an impounded animal for a third or subsequent impoundment within one year shall pay a \$120.00 impoundment fee, plus a fee of \$15.00 for each day the animal is impounded as a boarding fee (or the actual costs of impoundment if impounded off-site), plus any actual veterinary costs for care of the animal.

Sec. 14-86. – Unclaimed animals.

A. Disposal of unclaimed animals. Except as provided below, after five (5) business days, any animal unclaimed by its owner, after such owner has been notified of the impoundment of such animal or the conclusion of proceedings before the Animal Control Board, shall be placed for adoption or humanely destroyed in accordance with O.C.G.A. § 4-11-5.1.

B. Disposal of animals without known owners. Except as provided below, after five (5) business days, any animal whose owner cannot be ascertained shall be placed for adoption or humanely destroyed in accordance with O.C.G.A. § 4-11-5.1.

C. Disposal of animals without known owners for certain specific violations. If the animal has been impounded pursuant to Section 14-83A. of this Ordinance and if the owner is unknown or could not be found within thirty (30) days of publication of the notice of impoundment, the Animal Shelter may dispose of the animal through sale by any commercially feasible means, at a public auction or by sealed bids. If in the opinion of a licensed accredited veterinarian or a veterinarian employed by the state or federal government any animal impounded pursuant to this Ordinance has a temperament or condition such that euthanasia is the only reasonable course of action, the Animal Shelter shall dispose of the animal in accordance with O.C.G.A. § 4-11-5.1.

D. Owners liable for fees. In the event an animal is not claimed from impoundment and is therefore destroyed or the animal otherwise dies, and the owner is known, the owner shall still be responsible for the impoundment charges, including boarding fees and veterinary care costs, for the period the animal was held.

Sec. 14-87. – Sterilization of dogs and cats placed for adoption.

- A. Sterilization required. Every sexually mature dog or cat placed for adoption by the Animal Shelter or a humane society shall be sterilized by a licensed veterinarian within thirty (30) days of the adoption.
- B. Costs. All costs of sterilization incurred by the Animal Shelter or a humane society shall be included in any fees charged by the Animal Shelter or humane society for such animal.
- C. Written agreement. Every person adopting a dog or cat shall enter into a written agreement at the time of the adoption with the Animal Shelter or humane society guaranteeing that sterilization will be performed by a licensed veterinarian within thirty (30) days after the acquisition of such animal in the case of an adult animal or within thirty (30) days of the sexual maturity of the animal in the case of an immature animal. Failure to comply with this agreement shall be a violation for each day beyond thirty (30).
- D. Evidence required. Any person acquiring an animal from the Animal Shelter or humane society, which animal is not sterile at the time of acquisition, shall submit to the Animal Shelter or humane society a signed statement from the licensed veterinarian performing the sterilization required by Section 14-87A. within seven (7) days after such sterilization attesting that such sterilization has been performed.
- E. List of veterinarians. The Animal Shelter or humane society shall maintain and furnish to any person acquiring an animal a current list of veterinarians who have notified the Animal Shelter or humane society that they are willing to perform sterilization and the cost for such procedures.

Sec. 14-88. – Variances; appeals.

- A. Variances. Variances may be granted by Animal Control in cases where undue hardship would result from the strict enforcement of this Ordinance and where the protection of the health and well being of the citizens of Bartow County can be achieved with reasonable mitigating actions. Hardships created by action of the applicant shall not be considered as a justification for a variance. Denial of a request for a variance may be appealed to the Animal Control Board by filing a notice of appeal specifying the grounds for appeal with the Animal Control Board within 15 days of the denial.
- B. Notice of variance appeal. Persons who appeal to the Animal Control Board the denial of a variance from any requirement of this Ordinance shall notify adjacent property owners of their application for a variance and the time and location of the hearing on the variance appeal. Adjacent property owners shall be determined by the records of the Tax Assessor, on the date of the application for variance.
- C. Appeals. Any person aggrieved by any decision of an Animal Control Officer or other enforcement officer as it pertains to the classification of a dog, a confiscation of a vicious dog, status as or requirements for maintaining wild or exotic animals, or the calculation of costs may appeal the same to the Animal Control Board by filing an appeal with the Board on forms furnished by Animal Control, within five (5) days of receiving notice of the decision.

D. Abandonment of appeal. Any person who files an appeal but who, after receipt of notice of the hearing, fails to appear at said hearing shall be deemed to have abandoned the appeal, and the decision of the Animal Control Officer shall be affirmed.

E. Fees for boarding. The owner filing an appeal shall pay the additional daily boarding fees as established in this Ordinance during the pendency of the appeal. Failure to pay the fees and costs assessed against the owner, if affirmed by the Board, shall constitute an abandonment of any claim to the animal and will result in the animal being placed for adoption or euthanized.

F. Finality. All decisions of the Board are final.
