

PINE LOG CREEK TRAIL

Pine Log Creek Trail features a 4.5 miles path crossing seven rustic footbridges over Pine Log Creek. From two overlooks, hikers can view Pine Log Mountain - one of the highest elevations in Bartow County's Appalachian foothills - and the site of the Pine Log Cherokee Indian Village. The trail system includes two loops east and west and is rated moderate to difficult with rugged terrain. The eastern loop takes hikers by an early CCC quarry pond for picturesque views. Pine Log Creek Trail is open daylight to dusk to hikers only - no motorized vehicles, horses or bicycles.

Directions: I-75 Exit 293, US 411 north approximately 8 miles. Turn right onto GA 140 east toward Waleska. Continue approximately three miles to Pine Log Creek Trail System parking area on left. For more information call Keep Bartow Beautiful, 770-387-5167.
