Furthermore, the undersigned consultant/contractor will continue to use the federal work authorization program throughout the contract period and the undersigned consultant/contractor will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the consultant/contractor with the information required by O.C.G.A. § 13-10-91(b).

F. Audit and Accounting System Requirements

Bartow County reserves the right to reject any proposal with firms that do not meet the following requirements:

1. Firm(s) should have an accounting system in place to meet requirements of 48 CFR Part 31 and, in the case of non-profit organizations, OMB Circular A-122.
2. Firm(s) should have no significant outstanding deficient audit findings from previous contracts with Bartow County or any other state or local government agency that have not been resolved.
3. The prime is responsible for being reasonably assured that all sub-consultant(s) presented as a part of the proposed team are similarly in compliance with the above requirements.

G. Submittal Costs and Confidentiality

All expenses for preparing and submitting responses are the sole cost of the respondent submitting the response. The County is not obligated to any respondent to reimburse such expenses. All submittals upon receipt become the property of the County. Labeling information provided in submittals as "proprietary" or "confidential", or any other designation of restricted use will not protect the information from public view. Subject to the provisions of the Open Records Act, the details of the proposal documents will remain confidential until a final award.

H. Award Conditions

This request is not an offer to contract or a solicitation of bids. This request and any proposal submitted in response, regardless of whether the proposal is determined to be the best proposal, is not binding upon the County and does not obligate the County to procure or contract for any services. Neither the County nor any respondent submitting a response will be bound unless and until a written contract mutually accepted by both parties is negotiated as to its terms and conditions and is signed by the County and a respondent containing such terms and conditions as are negotiated between those parties. The County reserves the right to waive non-compliance with any requirements of this Request for Qualifications and to reject any or all proposals submitted in responses. Upon review of responses, the County will determine the respondent(s) proposal that in the sole judgment of the County is in the best interest of the County (if any is so determined), with respect to the evaluation criteria stated herein. The County then intends to conduct negotiations with such respondent(s) to determine if an acceptable contract may be reached.

I. Debriefings

In lieu of Pre-Award and Post-Award debriefings, it shall be the County's policy to provide the "Selection Package" at the time of the Selection Announcement (also referred to as the

Announcement of Entering into Negotiations). The "Selection Package" will include the scores and comments of phases for all firms who responded and will typically be provided as a PDF file and e-mailed. Previously, pre-award debriefings only provided the scores and comments of the firm. It shall be the policy of the County that all debriefings will typically be conducted in writing.

J. Right to Cancel or Change RFQ

Bartow County reserves the right to cancel any and all Request for Qualifications where it is determined to be in the best interest of the County to do so. Bartow County reserves the right to increase, reduce, add or delete any item in this solicitation as deemed necessary.

It is the responsibility of all firms interested in submitting Statement of Qualifications (SOQs) for this advertisement to routinely check the posting on the Bartow County website for any revisions to this RFQ. No changes will be posted later than 48 hours prior to the submittal deadline.

K. Substitutions, Alternates, Exceptions, and Extensions

No substitutions or alternates will be accepted for this solicitation. Any respondent submitting substitutions or alternates will be considered non-responsive and will not be considered for award.

L. Bartow County Code of Conduct Pertaining to Conflict of Interest in the Award and Administration of Contracts

Any Bartow County employee who leaves the employment of the County and subsequently becomes employed with a consultant firm and whose duties while employed with the County included the direct involvement with the negotiation, administration, or management of a contract in which the firm is either the primary consultant or a subconsultant **SHALL NOT** be authorized to work on that contract as an employee of that firm for a period of one (1) year after their employment ends.

Additionally, on July 1st of each year, any consultant firm that is under contract with the County as a prime or sub consultant shall provide to the County Community Development Director a current list of all former County employees employed by the firm and a document that certifies the responsibilities of those employees as it relates to the current contracts with the County. This certification document shall attest to the fact that over the last year no former County employee that is employed by their firm has worked on a contract between the County and their firm where that employee, when employed by the County, had direct involvement with the selection, award and/or administration of the consultant contract. Any consultant firm entering into a contract with the County for the first time as a prime or sub consultant shall provide the initial required list of former County employees and certification prior to the contract effective date. If the County determines at any point during a contract that an actual conflict exists as it relates to the above paragraph, then the County shall have the authority to issue a stop work order on that contract.
