Dear Ms. Schwartz-Washington:

The CBMPO has been advised of the need to revise its Public Participation Plan to include certain statements regarding the satisfaction of the FTA public participation process through the adoption of the CBMPO TIP, namely:

1. "The public involvement process for the Transportation Improvement Program (TIP) is used to satisfy the Georgia Department of Transportation public participation process for the Program of Projects (POP)."
2. "Public notice of public involvement activities and time established for public review of comment on the Transportation Improvement Program (TIP) will satisfy Program of Projects (POP) requirements"

Please be advised that these statements will be added in draft form to the CBMPO Public Participation Plan by vote of the Policy Committee at their next scheduled meeting on February 3, 2016. Following the required 45-day review, action will be taken to adopt the changes in final form at the regularly scheduled Policy Committee meeting on May 4, 2016.

Sincerely,

A handwritten signature in blue ink that reads "Tom Sills".
