May is Older Americans Month - Older adults have built resilience and strength over their lives through successes, failures, joys, and difficulties. Their stories and contributions help to support and inspire others. In May, ACL will celebrate the strength of older adults and the Aging Network, with special emphasis on the power of connection and engagement in building strong communities. There are many things we all can do to nurture ourselves, reinforce our strength, and continue to thrive. Connecting with others is one of the most important—it plays a vital role in our health and well-being, and in that of our communities.
