Due to the Covid-19 Pandemic, the senior center will continue to practice social distancing. For the safety of others, we ask that you please not attend the centers if you are sick. Make sure you continue to wash your hands and utilize the hand sanitizer that's been placed around the centers. Thank you for your support and participation at this time. We hope that by taking these precautions will allow us to get back to normal really soon.

Please get the Senior Center Remind 101 messages for announcements and important updates. You can pick up the information for details at either center. This is for anyone that has a cell phone. If you need assistance, please don't hesitate to ask a staff member for help with the set up.

We also have a Facebook page under the Bartow County Senior Center. (Make sure you choose the one of the Beavers senior center picture). For more information and updates that's taking place at the senior centers.

Due to the Covid -19 Pandemic most places have restrictions on groups attending at this time. We hope we can get back to our monthly routine soon.
