### **Requirements Checklist for Manufactured Homes**

1) **Zoning Verification**

Zoning staff must verify that the proposed vacant lot allows for a manufactured home. Generally, manufactured homes are only allowed in the R-4 and R-6 districts. In the A-1 district, the vacant lot must be a standard size (2 acres or greater) lot based on county code.

2) **New vs. Used Manufactured Home**

A copy of title, bill of sale or other document verifying ownership, size, and other info is required. If a used manufactured home is proposed to be moved onto a property in unincorporated Bartow County, there are additional restrictions – contact permitting staff 770-387-5067 for details.

3) **Size - Square Footage**

All new single-family homes, including manufactured homes, must have at least 1,200 square feet of heated area.

4) **Roof Pitch**

All new single-family homes, including manufactured homes, must have a minimum 5:12 pitch roof. If less than 5:12 existing roof and needs to be modified, plans need to be submitted before issuance of a permit. If a new roof is constructed to meet this requirement, the Building Official will require a structural engineer to as-built certify the roof and that the home remains HUD compliant.

5) **Landings**

Any single-family dwelling, including manufactured homes, shall have porches or landings on at least two sides, minimum size of 5 feet by 5 feet.

6) **Installation**

A manufactured home installation permit is required BEFORE the home can be placed on site. A penalty will be added to the permit fee if home is brought in before the permit is obtained. Installation shall be concluded in 120 days. Tongue and axel shall be removed.

7) **Underpinning**

Underpinning shall consist of masonry (for example, brick, stone, rock, concrete block) or other material as approved by the building official prior to installation.

8) **Allatoona Overlay District**

Check to see if the property is in the Allatoona Overlay District – the following are prohibited as exterior finish materials for manufactured homes in this district: vinyl siding, unfinished cinder blocks, metal siding, and aluminum siding.
