SUPERVISORY CONTROLS

The Transit Director or Assistant Transit Director assigns work in terms of somewhat general instructions. The supervisor spot-checks completed work for compliance with instructions and established procedures, accuracy, and the nature and propriety of the final results.

GUIDELINES

Guidelines include department policies and procedures and traffic laws. These guidelines are generally clear and specific, but may require some interpretation in application.

COMPLEXITY/SCOPE OF WORK

- The work consists of related vehicle operation duties. Inclement weather and heavy traffic contributes to the complexity of the position.
- The purpose of this position is to drive a transit vehicle to transport clients to and from appointments and special events. Success in this position contributes to the efficiency and effectiveness of program operations.

CONTACTS

- Contacts are typically with co-workers, clients, clients' family members, and members of the general public.
- Contacts are typically to provide services.

PHYSICAL DEMANDS/ WORK ENVIRONMENT

- The work is typically performed while sitting, standing, stooping, bending or crouching. The employee occasionally lifts light and heavy objects.
- The work is typically performed in a vehicle and outdoors, occasionally in cold or inclement weather.

SUPERVISORY AND MANAGEMENT RESPONSIBILITY

None.

MINIMUM QUALIFICATIONS

- Ability to read, write and perform mathematical calculations at a level commonly associated with the completion of high school or equivalent.
- Sufficient experience to understand the basic principles relevant to the major duties of the position, usually associated with the completion of an apprenticeship/internship or having had a similar position for one to two years.
- Possession of or ability to readily obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated.
